Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicant brings to the
Examiner's attention the documents listed on attached Form PTO-1449 and cited
in the international search report. Copies of the listed documents are attached.
Applicant respectfully requests that the Examiner consider the documents listed
on attached Form PTO-1449 and indicate that they were considered by making an
appropriate notation on this form.

This Information Disclosure Statement is being filed with the above-
referenced application.

The following is listed on the accompanying PTO-1449 and is in a non-
English language:

1. European Publication No. 0 445 411 A2.

In lieu of a statement of relevance or the translation of the non-English
document, enclosed is an English-language international search report from the

European Patent Office in the PCT international application, from which this national phase U.S. application is derived, citing this document and setting forth the relevance thereof.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicant determines that the cited documents do not constitute "prior art" under United States law, applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
